SE 5 (22 May 51)
Vulnerabilities of Communist China

6. Action: Agreed that there should be developed immediately an estimate on guerrilla warfare in China specifically designed to meet urgent needs of the Government. After the completion of the urgent estimate consideration will be given to any necessary broadening of the problem in order that it may be issued as a special estimate.

Prospects for the Creation of an Adequate Western European Defense (NIE-13)

no record of
NIE 13 since 1951

7. It was reported that this NIE has been cancelled in view of the fact that there is no current demand for the paper as it now stands.
